1. Respondent admits the jurisdiction of the Division over Respondent and over the

3. Respondent understands that Respondent has the right to be represented by counsel in this matter and Respondent's signature below signifies that Respondent has either consulted with an attorney or Respondent waives Respondent's right to counsel in this matter.

4. Respondent understands that Respondent is entitled to a hearing before the State of Utah's Physician Licensing Board ("Board"), or other Division Presiding Officer, at which time Respondent may present evidence on Respondent's own behalf, call witnesses, and confront adverse witnesses. Respondent understands that by signing this document Respondent hereby waives the right to a hearing, the right to present evidence on Respondent's own behalf, the right to call witnesses, the right to confront adverse witnesses, and any other rights to which Respondent may be entitled in connection with said hearing. 7. Respondent admits the following facts are true:

- a. Respondent was first licensed to practice as a physician and to administer and prescribe controlled substances in the State of Utah on or about September 7, 2005.
- b. On or about June 16 2016, Respondent pleaded guilty to two counts of submitting a false or fraudulent insurance claim, each a Class A misdemeanor, in Third District Court, Salt Lake County, Utah.

8. Respondent admits that Respondent's conduct described above is unprofessional conduct as defined in Utah Code Ann. § 58-1-501(2)(a) and (c). Respondent agrees by engaging in such conduct the Division is justified in taking disciplinary action against Respondent's license pursuant to Utah Code Ann. § 58-1-401(2)(a). Respondent agrees that an Order, which constitutes disciplinary action against Respondent's license by the Division pursuant to Utah Administrative Code R156-1-102(7) and Utah Code Ann. § 58-1-401(2), may be issued in this matter providing for the following action against Respondent's license:

- (1) Respondent's licenses to practice as a physician/surgeon and to administer and prescribe controlled substances in the State of Utah shall be revoked. The revocations shall be immediately stayed. Respondent's licenses shall be subject to a term of probation for a period of eighteen (18) months. The period of probation shall commence when the Division Director signs the Order in this matter. During the period of probation Respondent's license shall be subject to all of the following terms and conditions. If the Board or Division later deems any of the conditions unnecessary such deletions may be made by an amended order issued unilaterally by the Division and Board.
 - a. Respondent shall meet with the Division and Board within thirty (30) days of the signing of the accompanying Order. Respondent shall meet with Division staff member Debbie Harry prior to Respondent's first meeting with the Board to review this agreement. Respondent may contact Ms. Harry at (801) 530-6718, or dharry@utah.gov. For the remainder of the duration of probation, Respondent shall meet with the Board or with the Division, as directed by the Division or Board, quarterly or at such other greater or lesser frequency as the Division or Board may

direct.

- b. Failure of Respondent to pay the costs associated with this Stipulation and Order constitutes a violation of the Stipulation and Order.
- c. All reports and documentation required in this Stipulation and Order shall be submitted to the Division and Board on a monthly basis for the first six months of probation. If Respondent is in compliance with all terms and conditions of the Order at the end of that time, all reports and documentation shall be submitted on a quarterly basis for the remainder of probation. If Respondent is not in compliance with all terms and conditions of the Order by the end of the first six (6) months of probation, all reports and documentation shall be submitted on a monthly basis until Respondent is in compliance with the Order, after which all reports shall be submitted on a quarterly basis.
- d. Respondent shall notify any employer or practice associate of Respondent's restricted status and the terms of this agreement. Respondent shall cause Respondent's employer to provide periodic reports summarizing Respondent's compliance with the terms and conditions of this Stipulation and Order at a frequency described in subparagraph (c) above.
- e. Respondent shall promptly and successfully complete the Medical Ethics for Professionals- Physicians Edition, at the University of California at Irvine. The course shall be completed within one year of the effective date of this Stipulation and Order. Respondent shall promptly provide the Division with documentation showing successful completion of any course so directed.
- f. In the event Respondent does not practice for a period of sixty (60) days or longer, Respondent shall notify the Division and Board in writing of the date Respondent ceased practicing. The period of time in which Respondent does not practice shall not be counted toward the time period of this Stipulation and Order. It shall be within the discretion of the Division and Board to modify this requirement if Respondent satisfactorily explains to the Division and Board that compliance in Respondent's case was impractical or unduly burdensome. Respondent must work at least sixteen (16) hours per week and no more than forty-eight (48) hours per week to be considered "practicing" in Respondent's profession.

- g. Respondent shall notify the Division and Board in writing within one (1) week of any change of employer, employment status, or practice status. This notification is required regardless of whether Respondent is employed in Respondent's profession.
- h. If Respondent leaves the State of Utah for a period longer than sixty (60) days, Respondent shall notify the Division and Board in writing of the dates of Respondent's departure and return. The licensing authorities of the jurisdiction to which Respondent moves shall be notified by Respondent in writing of the provisions of this Stipulation and Order. Periods of residency or practice outside the State of Utah may apply to the reduction of the period this Stipulation and Order is in effect, if the new state of residency places equal or greater conditions upon the Respondent as those contained in this Stipulation and Order.
- i. If Respondent is arrested or charged with a criminal offense by any law enforcement agency, in any jurisdiction, inside or outside the State of Utah, for any reason, or should Respondent be admitted as a patient to any institution in this state or elsewhere for treatment regarding the abuse of or dependence on any chemical substance, or for treatment for any emotional or psychological disorder, Respondent agrees to cause the Division and Board to be notified immediately. If Respondent at any time during the period of this agreement is convicted of a criminal offense of any kind, including an offense based on the conduct described in this Stipulation and Order, or enters a plea in abeyance to a criminal offense of any kind, including a pending criminal charge, the Division may take appropriate action against Respondent, including imposing appropriate sanctions, after notice and opportunity for hearing. Such sanctions may include revocation or suspension of Respondent's license, or other appropriate sanctions.
- j. Respondent shall maintain active licenses at all times during the period of this agreement.
- k. Respondent shall immediately notify the Division in writing of any change in Respondent's residential or business address.
- l. Respondent shall submit reports on the date they are due and shall appear at scheduled meetings with the Division and Board promptly. Failure to do so shall be considered a violation of this Stipulation and Order.

- 1
- m. Any continuing medical education Respondent completes during the period of probation shall be pre-approved by the Division and Board.

9. Upon approval by the Director of the Division, this Stipulation and Order shall be the final compromise and settlement of this non-criminal administrative matter. Respondent acknowledges that the Director is not required to accept the terms of this Stipulation and Order and that if the Director does not do so, this Stipulation and the representations contained therein shall be null and void, except that the Division and the Respondent waive any claim of bias or prejudgment they might otherwise have with regard to the Director by virtue of his having reviewed this Stipulation, and this waiver shall survive such nullification.

10. Respondent shall abide by and comply with all applicable federal and state laws, regulations, rules and orders related to the Respondent's licensed practice. If the Division files a Petition alleging that Respondent has engaged in new misconduct or files an Order to Show Cause Petition alleging that Respondent has violated any of the terms and conditions contained in this Stipulation and Order, the period of Respondent's probation shall be tolled during the period that the Petition or Order to Show Cause Petition has been filed and is unresolved.

11. This document constitutes the entire agreement between the parties and supersedes and cancels any and all prior negotiations, representations, understandings or agreements between the parties regarding the subject of this Stipulation and Order. There are no verbal agreements that modify, interpret, construe or affect this Stipulation. Respondent agrees not to take any action or make any public statement, that creates, or tends to create, the impression that any of the matters set forth in this Stipulation and Order are without factual basis. A public statement includes statements to one or more Board members during a meeting of the Board.

Any such action or statement shall be considered a violation of this Stipulation and Order.

12. The accompanying Order becomes effective immediately upon the approval of this Stipulation and signing of the Order by the Division Director. Respondent shall comply with all the terms and conditions of this Stipulation immediately following the Division Director's signing of the Order page of this Stipulation and Order. Respondent shall comply with and timely complete all the terms and conditions of probation. If a time period for completion of a term or condition is not specifically set forth in the Stipulation and Order, Respondent agrees that the time period for completion of that term or condition shall be set by the Board or Division. Failure to comply with and timely complete a term or condition shall constitute a violation of the Stipulation and Order and may subject Respondent to revocation or other sanctions.

If Respondent violates any term or condition of this Stipulation and Order, the Division may take action against Respondent, including imposing appropriate sanction, in the manner provided by law. Such sanction may include revocation or suspension of Respondent's license, or other appropriate sanction.

13. Respondent understands that the disciplinary action taken by the Division in this Stipulation and Order may adversely affect any license that Respondent may possess in another state or any application for licensure Respondent may submit in another state.

14. Respondent has read each and every paragraph contained in this Stipulation and Order. Respondent understands each and every paragraph contained in this Stipulation and Order. Respondent has no questions about any paragraph or provision contained in this Stipulation and Order.
